

*We are different. But we are one.*

We are Christians and Muslims. We are Hindus and Jews. We are black and white and every shade between. We live in Sioux Falls, South Dakota. On Thailand's Koh Phai Island. And in Chimoio, Mozambique. We are the human family. We all want to keep our loved ones safe. We all want to live with dignity and hope. We all want to create for our children a better life. Let us welcome the New Year. And the renewed promise that we can come together. And live in peace.
